SLIIT Robofest

<p>Robofest, the flagship event by SLIIT's Faculty of Engineering, has been a cornerstone of STEM education in Sri Lanka for 13 years. This annual competition empowers school and university students with skills in electronics, robotics, critical thinking, and problem-solving, inspiring innovation and collaboration among school and university participants.</p>

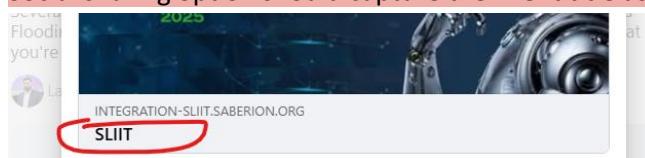

<p>Beyond fostering curiosity and passion for technology, Robofest bridges academic learning and real-world applications through hands-on activities and challenges. Its legacy includes uplifting STEM standards nationwide and preparing students to compete internationally, bringing recognition to Sri Lankan talent. Robofest's enduring success reflects SLIIT's Faculty of Engineering's commitment to nurturing young innovators and advancing STEM education, shaping a brighter, technology-driven future.</p>

SLIIT SoftSkills+

<p>Softskills+ is an ongoing initiative by the SLIIT Business School, designed to equip students with essential soft skills through a series of engaging events. The program includes an interschool quiz competition and a hands-on workshop that focuses on teamwork, leadership, problem-solving, creativity, and critical thinking.</p>

<p>Targeting students from grades 11 to 13 in Commerce streams across State, Private, and international schools, Softskills+ encourages the development of skills often overlooked in traditional education. By fostering collaboration and innovation, the program aims to prepare the next generation for the dynamic and evolving demands of the modern workplace.</p>

Professor Lakshman Ratnayake is the Chancellor and Chairman of SLIIT, bringing over 45 years of experience in higher education and engineering. Prior to this role, he served as Chairman and Senior Professor of Civil Engineering from April 2014. Before joining SLIIT, he held several key positions at the University of Moratuwa, including Senior Professor, Head of the Department of Civil Engineering (1989-1994), and Dean of the Faculty of Engineering (1995-2001). Throughout his academic career, Prof. Ratnayake also held professorial positions at the University of Calgary, Canada, and Utah State University, USA, during his sabbaticals. He was honored as an Emeritus Professor by the University of Moratuwa in 2014.

He served as Vice Chairman of the University Grants Commission (UGC) from 2001 to 2006 and held the presidency of both the Institution of Engineers Sri Lanka (IESL) in 2002 and the Chartered Institute of Logistics and Transport (CILT) in 2004. He also led two World Bank-funded higher education projects from 2004 to 2014.
